STRATEGIC BRAND SYSTEM • COACHING & CONSULTING

SOCIAL MEDIA BRAND KIT FOR COACHES

The Complete Thought Leadership Framework, 40 High-Converting Templates, & Visual Authority Guidelines

Included Within This System:

- **The 40 High-Ticket Template Architecture:** Educational Carousels, Client Case Studies, Framework Diagrams, & Quote Callouts.
- **Authority Color & Typographic Standards:** Curated palettes that convey premium expertise, trust, and executive competence.
- **30-Day Thought Leadership Editorial Roadmap:** A proven cadence for turning passive followers into booked discovery calls.
- **Commercial Client License:** Full rights to adapt for yourself or deploy for your private agency clients.

Designed specifically for B2B Consultants, Executive Coaches, Agency Founders, & Course Creators.

💡 **Positioning Principle:** High-ticket clients do not buy design; they buy clarity, certainty, and strategic authority.

CONTENT ARCHITECTURE • HIGH-TICKET POSITIONING

The 4 Core Template Pillars for Authority Brands

A systematic breakdown of the 40 templates included in your Canva and web library.

Template Pillar	Template Count	Strategic Business Objective
1. Breakdown Carousels	**12 Templates**	Deliver multi-slide high-value tactical frameworks. Teaches the "What" and "Why" while positioning your 1-on-1 offer as the "How".
2. Client Case Studies	**10 Templates**	Tangible metrics, client before-and-after revenue numbers, and direct testimonial quotes that definitively crush buying hesitation.
3. Bold Contrarian Quotes	**10 Templates**	Polarizing, paradigm-shifting observations that challenge outdated industry conventions and generate high shares/bookmarks.
4. Lead Magnet Promos	**8 Templates**	Visual 3D mockup wrappers that drive traffic off social platforms directly into your email list or discovery call funnel.

📈 **Conversion Rule:** Every piece of content should have a clear single call-to-action (Comment KEYWORD to receive the audit checklist).
